

PROJECT: **ARRA Williamsburg Citywide Resurfacing, UPC: 94442,
VDOT Project No: U000-137-140, P101, N501
FHWA No.: ARRA-FS09(110)**
LOCATION: **City of Williamsburg, Virginia**
DATE: **May 1, 2010**

The City of Williamsburg, Virginia will receive sealed Bids for the above titled project at the office of the Director of Public Works and Utilities, located at 401 Lafayette Street, Williamsburg, VA 23185 until **2:00 p.m.** local time on **Monday, May 24, 2010**, at which time the Bids will be publicly opened and read aloud. Any Bids received after the specified time and date will not be considered.

The project was developed under UPC 94442, State Project Number U000-137-140, P101, N501, Federal Project Number ARRA-FS09(110) as part of the federal stimulus (American Recovery and Reinvestment Act).

The Work under this Project consists of asphalt concrete pavement maintenance work on seven (7) areas of public streets within the City of Williamsburg totaling approximately 16,680 linear feet of roadway. The seven areas are briefly described and classified as follows:

Area 1	Richmond Road (SR 60)	Urban Principal Arterial
	Richmond Road (SR 7075)	Urban Minor Arterial
	Bypass Road (SR 60)	Urban Principal Arterial
Area 2	Ironbound Road (SR 7081)	Urban Minor Arterial
Area 3	Lafayette Street (SR 5)	Urban Minor Arterial
Area 4	Quarterpath Road (SR 637)	Urban Collector
Area 5	John Tyler Lane (SR 7073)	Urban Collector
Area 6	Lafayette Street (SR 5)	Urban Minor Arterial
	York Street (SR 60)	Urban Collector
	Page Street (SR 5)	Urban Principal Arterial
Area 7	S. Henry Street (SR 132)	Urban Collector

These routes vary from 2 lane bidirectional streets to multi-lane bidirectional streets with turn lanes. Some (Area 1, Area 2, and Area 6) contain signalized intersections. The work generally consists of:

- Milling and resurfacing the travel lanes, shoulders/bike lanes, and entrances up to curve returns.
- Updating guardrail where required within the limits of pavement resurfacing.
- Reestablishing traffic control detection sensors at signalized intersections.
- Updating traffic signs where required within the limits of pavement resurfacing.

Bid Documents may be examined at the offices of the Director of Public Works and Utilities, City of Williamsburg, located at 401 Lafayette Street, Williamsburg, VA 23185.

Bid Documents may be obtained from the office of the Director of Public Works and Utilities, City of Williamsburg, 401 Lafayette Street, Williamsburg, VA 23185 upon a non-refundable payment of \$30.00 for each set of documents. Requests for Bid Documents to be mailed to the Bidder shall be made in writing and accompanied by a non-refundable check in the amount of \$15.00. Checks shall be made to the City of Williamsburg.

This project shall be constructed in accordance with: the plans; the Virginia Department of Transportation *Road and Bridge Specifications*, dated 2007; and the Virginia Department of Transportation *Road and Bridge Standards*, dated 2008; the *Virginia Work Area Protection Manual*, dated May 1, 2005; the 2003 edition of the *MUTCD*; and Supplemental Specifications, Special Provisions and Special Provision Copied Notes in this contract.

Bid Security in the amount of **five** percent (**5 %**) of the Bid shall be submitted with each Bid.

A NON-MANDATORY PRE-BID CONFERENCE will be held on **Wednesday, May 5, 2010**, at **2:00 p.m.** Local Time at the City of Williamsburg Conference Room on the Third Floor of the City Municipal Building, 401 Lafayette Street, Williamsburg, VA 23185.

Contractor registration in accordance with Title 2.2 Chapter 43, Code of Virginia is required. The Bidder shall include in its Bid the following notation: "Licensed Virginia Contractor No. _____."

VDOT Prequalified Contractors and/or Subcontractors are required for this project. Prequalification of Contractors and/or Subcontractors shall be in accordance with VDOT Road and Bridge Specifications, Section 102.

Withdrawal of Bids due to error shall be subject to and in accordance with Section 2.2-4330 of the Code of Virginia and the Contract Documents.

The Owner reserves the right to reject any and all Bids and to waive any minor non-substantive errors in the Bid.

Additive Bid Items are requested for a portion of all of the Work due to the character of the improvements and uncertainties which may be encountered during construction. Bidders shall submit Additive Bid Items on all items as shown on the Bid Form. Bids shall be considered in the order listed in the Bid Form and in accordance with criteria defined in the Specifications.

The City of Williamsburg does not discriminate in the solicitation or awarding of contracts on the basis of race, religion, faith-based organizations, color, national origin, age, disability or any other basis prohibited by state or federal law.
